Easy Steps For Spiritual Growth

Acts 2:38-47

Every believer wants to grow in his/her faith. Sometimes we are fully aware of the process and other times we feel like we are in a wilderness situation. But growth still takes place.

- Have the group share of how they have been growing over the last year.

The Early Church devoted (straightened out their attitudes) themselves to teaching. It is critical for every growing believer to be in a Church where there is good teaching so that they can grow.

- Have the group share areas in which they feel they have grown through the teaching at CCC.

We live in a day of 'Lone Rangers' - too many of us are trying to go it alone. We fail to recognise that God created us for fellowship and community.

- Ask the group if this applies to them?
- Take time to pray for group members.

Communion is a time to refocus on Jesus.

- Have the group share what Communion means to them and how it helps them to do this.

We all have things that distract us and get in the way of deep communication with God. There are also things we can do to create an atmosphere for prayer.

- Ask the group how their prayer life is?
- Explore ways of creating an atmosphere for prayer.
