We Are Family
Part 3 of 6

I'm for Real

John 4:4-26

In this session we are going to be taking a fresh look at the things that keep our relationships at a superficial level.

Ask your group members to identify the feelings, fears and risk going on within the woman at the well as she starts to talk to Jesus.

- Her past was full of brokenness.
- Her Relationships had all failed.
- Her Community probably rejected her.

How does Jesus move the conversation beyond the superficial and start to build a genuine relationship with her?

Ask your group members what they think hinders them developing deep and open relationships with others?

Is there a fear of rejection?

Is there a fear of being ridiculed?

Is there a fear of being ignored?

Explore with your group, why these fears are toxic for the person who longs for deep and lasting friendship.

John 14:15 & John 15:14

Friendship with God is the goal of the Christian life!
